

GOD MADE ME FOR HIS PURPOSE

I was born in a Christian family. I went to church every Sunday, with my Dad and my cousins. I wasn't a bad person, but my heart was closed for Jesus. I never knew Jesus as my personal Savior. I never knew the importance of reading and understanding the Bible. I studied in a catholic school and catholic college. I never knew that every human is born with a special purpose of God. I always wondered why women at Hebron church, Musheerabad, India, were dressed in white and always giving Bible tracts to everyone.

I knew something was different about those women in white. But it never occurred to me that I should go to their church and see why they dressed and acted different. I never had a chance to watch Christian TV. I never ever went to any church besides CSI Musheerabad Church. I don't know why, but I never went to regular Sunday school. I never knew what was going on when my cousins were taking immersion baptism. I thought their practices were different from ours. But, it never occurred to me to find out the reason behind their actions. I never knew to surf websites. I never attended any special Christian meeting. It is like I was never alive, although I was a good Christian living my own life in faith, not talking bad about others, no bad habits, and doing no harm to anyone. But, without any clue of God's purpose for my life, at the time.

And this kind of 'normal' Christian life went on for 40yrs of my life. During this time I enrolled my kids in Christian schools, since I was sure that I had no knowledge of Bible lessons to teach my kids. It never occurred to me that I should read Bible regularly. I did not read the whole Bible even once in these 40yrs. I did not treasure my Wedding Bible. I did not read the small New Testament my Grandma gave me. I did not read the Kid's Adventure Bible my uncle gave me. I did not read Telugu Bible my aunt gave me. No wonder, I was totally lost. I became the worst of all Christians. I needed Christ so much. I still need Him so much. I will always need Him very much. We all need Him very much.

At age 40yrs, God sent me a star to show the way back to Christ. This star, with a non-Christian background, was teaching me Bible, in 2003. She shared with me how God changed her life, and how He changes people for Him. She offered herself for weekly Bible Study. God opened my eyes through this sister Sasi akka who prayed for me on Sept. 30th 2003. I long to be like my spiritual Mom Sasi akka.

A week later God showed me 40-day PURPOSE DRIVEN LIFE book in a bookstore; it was all about number 40. Pastor Rick Warren wrote "God considers 40 a spiritually significant time period...God changed Noah's life during 40days of rain; Moses was transformed by 40days on Mount Sinai; The spies were transformed by 40days in the Promised Land; David was transformed by Goliath's 40-day challenge; Elijah was transformed when God gave him 40days of strength from a single meal; the entire city of Nineveh was transformed when God gave the people 40days to change; Jesus was empowered by 40days in the wilderness; The disciples were transformed in 40days with Jesus after His resurrection."

God made me read the 40-day PURPOSE DRIVEN LIFE book for 40days. I read for 40days from 10/07/2003 to 11/16/2003, and started to have a strong feeling that I too should lead a purpose-driven life. Touched by God, through star Sasi akka and led by God through Sasi akka in our weekly focused Bible Study from Oct 2003 to mid 2004 I now read and understand the Holy Bible really well by the grace of God. I have a purpose-driven life because of the grace of God through Pastor Rick Warren. I also thank God for His healing touch on me through Pastor (then) who is Archbishop (now) Dr. Agepog who consistently prayed for me, my husband, my daughter and my son in good times and bad. Dr. Agepog truly showed our family Agape love <http://www.agapeaiim.com/index.html>

In 2004 I was able to understand Old and New Testament Bible for the first time in my life. In 2004 I studied Daily Walk Bible, along with my atha and maama through their church in Kansas city. In 2005 I visited Holy Land all by myself, and also read one-year NLT Bible. In 2007 I was led to co-ordinate Bible study by the name 'Followers of Christ', but unfortunately it lasted only a few months. In 2007 I read Life Application Study Bible NLT. In 2008 I was part of 1st successful Bible Study for Women in our church. I have about 10 or more versions of Bibles and e-Bibles, and I love them all. I have about 50 Bibles; a few in every room of my house. Life Application Study Bible NLT is my favorite. I love to give Bibles. I also love to receive Bibles as gifts. The very last gift Bible I received is from <http://www.ministries.annaglobal.com/> - I am influenced greatly by this online Bible ministry. I am greatly blessed by it. I love to work online, and share Good News of Christ. And, I am in awe of the great transformation work at <http://vishwavani.org/>, and greatly thankful for their prayers for me and my family.

Now in 2009 I am filled with great desire to help all women to walk in the pathway of God's purpose, so that not a single soul walks in darkness. The fastest and easiest way this can happen, I strongly believe, is through world wide web. My time is running out fast, and I have the passion to show everyone the REMARKABLE PURPOSE of GOD – The purpose I never knew for 40yrs of my life. I love to show everyone God's work in and through various people of God. I love this new web site REMARKABLE PURPOSE for Women only.

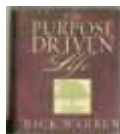

I love to say to everyone, that our life is not about ourselves; it is about God working in and through us for His glory. Today, I volunteer at a bookstore in a Mega Church – Harvest Bible Chapel. This church taught me that my life is not about me. This life of mine is about Christ in me.

This Christ in me whispers to me day after day that I am not what I ought to be, and I am not half of what I should be. But, I hope to be one day what God wants me to be – His true witness. As I wait and walk in the Remarkable Pathway of finding and doing God’s Remarkable Purpose, I request you to walk with me, with your total focus on Christ our Savior. My mother, sisters, brother, husband, daughter, son, nieces and nephews are in regular Bible study now. We have joined our uncles’ and aunts’ lifestyle of regular Bible Study. My Grandma and my Uncle would be so happy to pray with me today.

I am and will ever be CSI Wesley Church Chicago member at www.wcsichicago.org, and I am impressed of the united service of God’s ministers here. And, I also believe it is my job as a Christian woman to personally know Him more, and to make Him known to more and more. It is my privilege to encourage all women on World Wide Web to become Remarkable Women of God. It is also my privilege to be encouraged by all Remarkable Women on World Wide Web. This is my true Testimony for www.remarkableladies.com.
